 464.500 NASCAR - Wrecker / Fire Unit Dispatch
 464.5875 Tickets
 464.775 NASCAR - Gates / Security / Ticket Booths / Maintenance
 464.900 NASCAR
 464.525 Race Officials - Ch.1 & 3

464.975 Race Officials - Ch.2 & 4
 464.675 Race Officials - Ch.5 / Race Control - Tac 1
 464.825 Race Officials - Ch.6 / Tac 2

Notes:

- Most racing teams communicate with low power radios on frequencies between 461.00 and 470.00.

Some monitored frequencies:

452.7375	462.1125	463.7500	452.6125
461.1250	462.1875	463.7375	461.0875
461.2125	462.3125	464.2000	461.8125
461.2375	462.5750	464.3625	464.8375
461.5625	462.6250	464.5750	464.6875
461.5875	462.6750	464.6250	
461.7125	463.2125	464.6625	
461.8375	463.4250	464.8875	
461.9875	463.5625	466.3500	
462.0250	463.6125	467.8125	

- There is also a great deal of use of low power Business and Family Radio Service walkie talkies

during all events at the racetrack. (*See below for frequencies*).

 462.4250 Ch.7

NOTES:

- Repeater net companies lease transmitter space to various business users.
- (LTR) These are LTR UHF Trunked Systems. These systems do not have a dedicated control channel.
- These systems are used by taxi's, pest control, wreckers, repairmen etc.
- Individual users do not need a separate license, only the system owner needs a license.
- The only way of finding out who is using these systems is by monitoring them.
- LTR Trunked Systems do not have a dedicated control channel.
 When a user initiates a call, the unit scans the system for a clear channel before it transmits.
- These systems are used by taxi's, delivery companies, repairmen etc.
- Individual users do not need a separate license, only the system owner needs a license.
- The only way of finding out who is using these systems is by monitoring them.

PORTABLE BUSINESS & GMRS RADIOS

The following frequencies are used by licensed portable radios (walkie talkies). They are used by stores (Wal-Mart, Sams Club etc.), schools, land survey crews, fast food restaurants, road construction etc. Most radios do not show the frequency on them but are marked with a colored dot or star. These portables are 5 watts or less and have a very short range. 151.625, 154.57 and 154.60 are the most active, but all are worth checking, since you will never know what you may hear.

151.625 Red Dot	462.625 Black Dot	467.8125 K Dot
151.955 Purple Dot	462.675 Orange Dot	467.850 Silver Star
154.570 Blue Dot	464.500 Brown Dot	467.875 Gold Star
154.600 Green Dot	464.550 Yellow Dot	467.900 Red Star
462.575 White Dot	467.7625 J Dot	467.925 Blue Star

MULTIPLE USE RADIO SERVICE (MURS)

The following frequencies are used by low power unlicensed business radios (walkie talkies).

151.820 154.570
 151.880 154.600
 151.940

FAMILY RADIO SERVICE

The following frequencies are used by low power unlicensed personal radios (walkie talkies).

Ch.1 462.5625	Ch.8 467.5625
Ch.2 462.5875	Ch.9 467.5875
Ch.3 462.6125	Ch.10 467.6125
Ch.4 462.6375	Ch.11 467.6375
Ch.5 462.6625	Ch.12 467.6625
Ch.6 462.6875	Ch.13 467.6875
Ch.7 462.7125	Ch.14 467.7125

FAST FOOD RESTAURANTS

These frequencies are used at the drive-in window. They are very low power and can only be received nearby. This is only a small sample of the Fast Food Restaurants in the county.

<u>Customer</u>	<u>Clerk</u>	<u>Restaurant</u>
469.0125	464.0125	McDonalds - Daytona Beach - Beville Rd.
33.40	154.54	Wendys - Daytona Beach - U.S. 92, Volusia Mall
30.84	154.57	Burger King - Daytona Beach - U.S. 92, Volusia Mall
